*You need a speaker that engages the audience from the first word. A speaker that is both a polished presenter and a rock-solid licensed clinician.*

### No Cookie Cutter Speeches— and no boring lectures!

Dr. Richard Nongard will customize his presentation on mental health, social work, family therapy and/or addiction to your communities specific needs.

We want your conference to be a success, and no matter what topic we select, it is sure to:

- Engage the Community
- Change the Culture
- Build Affirmative Identity

Let's work together to pick a clinical topic or a leadership oriented topic. There is no better way to leave your professionals empowered at the end of your conference than learning how to create Viral Leadership in the communities where they serve.
